

## SPRINT – 1

In Sprint-1 we created Home page, Registration page, Login page and Profile page. In Registration page the user will Register by entering email, password and confirm password. The user can also Register through Google. OTP verification mail will sent to the user for confirmation. They can login and can view their profile page.

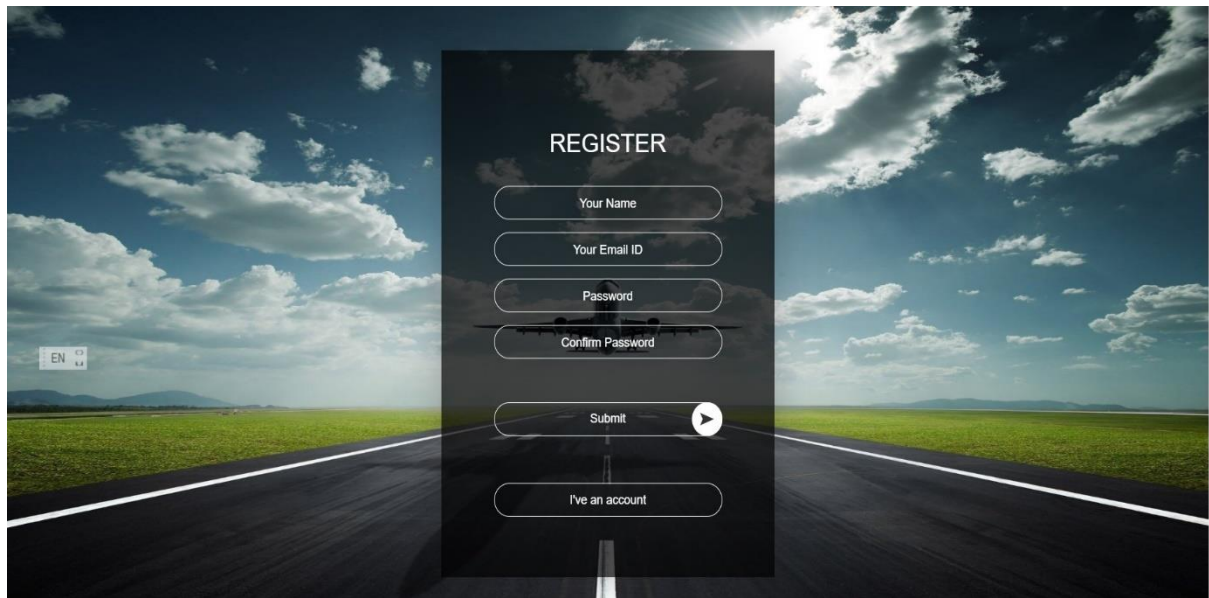

### HOME PAGE

### LOGIN PAGE

## SIGN UP PAGE

A registration form titled "REGISTER" is centered on a dark, semi-transparent panel. The background is a scenic image of a runway stretching into the distance under a bright, cloudy sky. The form includes input fields for "Your Name", "Your Email ID", "Password", and "Confirm Password". Below these is a "Submit" button with a right-pointing arrow icon, and a link "I've an account" at the bottom. A small language selector on the left shows "EN" with a dropdown arrow.

## OTP VERIFICATION

An OTP verification form is centered on a dark, semi-transparent panel. The background is a scenic image of an airplane on a runway with a forest in the background. The form is titled "INSTRUCTIONS" and contains the text "Kindly enter the verification code to complete the registration process." Below this is a link "Resend the OTP" and the text "Enter the verification code". At the bottom, there is a text input field and a "Verify" button. A small language selector on the left shows "EN" with a dropdown arrow.

INSTRUCTIONS

Kindly enter the verification code to complete the registration process.
